Parodontal Küretten und Scaler mit 10 mm Durchmesser

gewährleisten eine ausgezeichnete Balance und ermüdungsfreies Arbeiten. Durch die Verwendung unterschiedlich dicker Handgriffdurchmesser wird zudem dem Karpaltunnel-Syndrom vorgebeugt.

Periodontal curettes and scaler with 10 mm diameter

PA-Kürette mit 10mm Durchmesser

The extremely light 8 mm hollow handles out of stainless steel carry a color marking (heat resistant up to 180°C) for quick identification of the different models. The working tips hardened in vacuum, assure a long-lasting quality without re-sharpening.
